### Student Ethnicity Report

Dear Parent or Guardian,

Educational institutions are required to collect racial and ethnic data using a two-part question. The first question is whether the student is Hispanic/Latino. The second question is whether the student is from one or more races using five racial groups.

To ensure we are in compliance with the above required data collection and that our records reflect each student's correct ethnicity, please complete the information below.

-----  
Student Name \_\_\_\_\_

1. Is this student Hispanic/Latino?  YES  NO
2. Select **ONE OR MORE** of the following: (Please note: the State of Ohio requires us to report students as "Multiracial" if no ethnic information is provided.)
  - American Indian or Alaska Native
  - Asian
  - Black or African American
  - Native Hawaiian or Other Pacific Islander
  - White

After you have completed this form, please return it to your student's school office as soon as possible. Thank you for your attention to this matter.

Sincerely,

Michael Sheppard
