END-OF-COURSE STATE TESTING: APRIL 2019

Please be aware that the upcoming months of April and May will include five (5) days of mandated Ohio Department of Education End-of-Course Testing. On each day, only the students testing in their graduation mandatory courses (English Language Arts 1, English Language Arts 2, US History, US Government, Algebra 1, Geometry & Biology) will attend school at the designated testing times. See the linked document below for each day of testing, the tests being administered and the time schedules for each. Regular daily bus transportation times will be maintained in the mornings and afternoons like any other school day.

BMHS STATE END-OF-COURSE TESTS 2019 CALENDAR: [Testing Calendar](#)

All students enrolled in any of our English Language Arts 1 and 2, Geometry, Algebra 1, Biology, US Government, and US History courses (regular, honors, CCP, AP, Ombudsman, online, etc...) are expected to arrive promptly for the graduation qualifying mandatory testing. Please note that on each of the indicated testing days, there are designated starting times for each of the separate tests. On each of the days of testing, students are expected to arrive in time for each of their scheduled test starting times.

Students and Parents please note:

- The format of testing will be online (not paper/pencil).
- Bring your own ear buds to listen to the test audio.
- Cell phones must be collected and turned-off. (maintenance of test security and preservation of WiFi bandwidth capacity)

FROM THE PRINCIPAL, CONTINUED

- Ohio Department of Education testing resources: <http://oh.portal.airast.org/users/students-and-families.stml>

As a state of Ohio graduation mandate, in addition to the required academic course work and necessary accumulation of credits, students must earn a total of 18 points attained through seven State **mandatory** End of Course Tests: Algebra 1, Geometry, English Language Arts 1, English Language Arts 2, Biology, American History and American Government. Students can earn from 1-5 points on each of these Tests. To ensure students are well rounded, they must earn a minimum of 4 points in Math, 4 points in English/Language Arts, and 6 points across Science and Social Studies.

•Advanced	5 points
•Accelerated	4 points
•Proficient	3 points
•Basic	2 points
•Limited	1 point
•No Score Available	0 point

Not meeting the above criteria would result in a student not earning a graduation diploma. Refusing to participate in this Testing will only result in a score of zero (0) and no accumulation of points towards the minimum 18 needed for graduation. This will not be permitted without signed consent of the Parent/Guardian and Principal.

Please see the Ohio Department of Education website <http://education.ohio.gov/Topics/Ohio-Graduation-Requirements/Graduation-Requirements-2018-and-Beyond> for further details regarding these newly mandated State of Ohio Graduation Requirements, practice Tests, and other pertinent resources.

Student and Staff PBIS Recognitions:

- From a proud & appreciative BMHS Staff Member:** “Social Studies Teacher, Junior State of America Advisor, and Model United Nations Advisor, Mr. Dan Watt, is to be graciously commended for the dedicated effort and time that he contributes towards the realization of worthwhile learning experiences for our participating JSA and Model UN students! Our Model UN team has competed in three regional competitions (Cleveland Bar Association, CSU and CWRU), with student Mia Ashriem earning the award of Best Position Paper (UN Development). Our JSA team has travelled, for competitions, to the Columbus State House, where student Gavin Gunnoe was named Best Speaker (Debate), and to Washington DC, where student Callaghan Ruebensaal was recognized as Best Speaker (Mock Congress). JSA still has one more upcoming trip/competition to Cincinnati. Best of luck!”

ATTENTION ALL PARENTS/GUARDIANS OF CURRENT 11TH GRADE STUDENTS:

Please read the letter below from Rebecca Elder, the BCSD School Health Manager, with regard to the **REQUIRED** immunizations for all current 11th grade students which must be received by the students before the beginning of the 2019-2020 school year. Any student not current on these immunizations by September 12, 2019, will be excluded from attending school until the immunizations are up to date. If you have any questions, please call the BMHS School Health Specialists in the Clinic at 216-898-8900.

March 21, 2019

To Parents/Guardians of current 11th grade students:

In preparation for the 2019-2020 school year, this letter is to remind you that for the 2019-2020 school year, all students entering 12th grade are required to have two doses of Meningococcal vaccine prior to the start of school. However, if the student received their first dose on or after their 16th birthday, then just one dose of Meningococcal is required. Also, if the student is in 12th grade and is 15 years of age or younger, only one dose is required. Documentation of these immunizations are required to be sent to your child's school. If the child does not receive the immunization due to medical, religious or other reasons, an exemption form will need to be filled out and signed by the parent/guardian. This form will need to be filled out and signed each subsequent year.

If either immunization record or an exemption form are not received within 14 days, (beginning with the first day of attendance), Ohio Revised Code 3313.671 mandates that the student will be excluded until such time that the school receives proof of immunization or exemption letter. For the 2019-2020 school year, this date is **September 12, 2019**.

Please be mindful of this requirement throughout the remainder of the school year, including spring break, and into the summer. Please save yourself a trip to the doctor's office at the beginning of the school year by obtaining proof of the immunization and sending it to the clinic at Berea Midpark High School at the time of your child's vaccination.

For your convenience, you or your child's physician may fax proof of immunization to Berea Midpark Clinic at 216-898-8558. Should you have any questions, please do not hesitate to contact your School Health Specialist at 216-267-2079, or myself at 216-267-2120, ext. 8720. Also, you may visit the Berea City Schools website for complete information regarding all immunizations.

Thank you for your prompt assistance in this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Rebecca A. Elder".

With our increased enrollment and the challenges posed by our construction, we are grateful for the patience and cooperation that our students, parents, and staff have demonstrated during the busy times of arrival and dismissal. In order to best assure safe and effective student drop-off and pick-up, we ask that you comply with each of these expectations:

- Student pedestrian crossing of streets is permitted only in the the designated cross-walk areas.
- Buses only are permitted in the designated “flag pole” lot area directly in front of the building, during student arrival and dismissal times.
- Drop-off & pick-up of students is permitted only in the designated school parking lot area – not on the streets of Bagley, Eastland, or Maple.
- Vehicles which are entering & exiting the lot may do so only through the designated areas and following the indicated traffic flow.

If you should have any questions or concerns, you are welcomed to contact our Main Office 216-898-8900.

Thank you for your continued cooperation!
