Student & Staff PBIS Recognitions:

- **From a proud & gracious BMHS Staff Member:** "Mr. Griffin, from Parker Hannifin and our JA Volunteer, has once again set up a fantastic opportunity for our students to participate in a Job Shadow Program at Parker Hannifin." (Mr. Patrick Murphy) We are grateful for Mr. Griffin's, as well as Parker Hannifin's continued dedication towards providing authentic, real-world learning experiences for our students!
- **From a gracious BMHS Colleague:** "Thank you to everyone for the cards, kind words, emails and gift from Sunshine (Committee) sent on the recent passing of my mother. As I helped to care for her over the past few months which required my absence, I appreciate fellow staff members subbing for my classes, as well. Thank you your kindness and thoughtfulness. It is greatly appreciated."
- **From a thankful recent Graduate:** "Hello Ms. Papa (Papakonstantinou), I am Shubham Dave, and I was a senior at Berea Midpark High School last year. I attended your British Literature, and College Composition classes, and they have helped me a lot! I am majoring in Computer Engineering at Cleveland State University, and all the reading and writing skills that I learned last year are helping me, not only in my English classes, but my other classes as well. Thank you so much for all the help! I just wanted to keep you updated with what I am doing. Thanks!"
- **From an appreciative BMHS Education-Partner:** "Thank you for making it possible for BMHS to welcome multiple AFS international exchange students into your student body during the 2018-19 academic year. Intercultural exchange programs introduce people to beliefs, customs, and perspectives that are different from their own, which, in turn, helps to create better communities across our country and throughout the world." (Mr. Jorge Castro, President AFS-USA)

STUDENTS WHO WANT TO USE THE LIBRARY/MEDIA CENTER DURING STUDY HALLS:

Any student who wants to use the Library/Media Center during their study halls, must sign up FIRST following the directions below. If you do not sign up to use the Library, you will need to return to your study hall. Students are not permitted to have the study hall monitor simply write a pass to the Library. The student needs to: login to the BCSD webpage, select BMHS High School, then Library tab, select BMHS Study Hall Sign Ups on the left menu, sign in to your Google account and the calendar for the week will appear. Students should select the date and period they would like to use the Library. Find the day of the week and click on one of the numbered boxes which represent the period they want and place their name in that box that will appear. Be sure to SAVE. If there are no boxes available when a student wants to come that means all of the spots have been filled and the student must remain in their assigned study hall. The number of spots available for each period varies.

WINTER BREAK

No School for Staff or Students

**Monday, December 24 through
Friday, January 4**

**School Resumes Monday,
January 7, 2019**

FROM THE SUPERINTENDANT, MIKE SHEPPARD

Winter weather has arrived early this year. New for the 2018-19 school year is the addition of a **2-hour delay**. Information regarding this new procedure was included in the [2018-19 District Information Guide](#). This information guide was available at the start of the school year during our open houses and orientations. 2-hour delay information is also included below.

Our district administration, faculty, and staff understand that our decision to delay, open, or close schools during inclement weather has a big effect on families. We also understand that our students are better served – both academically and socially – by being in school. However, our top priority is the safety of our students.

HOW DO WE MAKE OUR DECISION?

Please understand that we make the decision to delay, keep open, or close the schools in bad weather based on a careful analysis of all relevant factors, such as:

Information on road conditions from transportation staff and from local law enforcement and road crews. We must give careful consideration to the most dangerous roads in the district; they can be treacherous even if your street looks clear;

- Amount of snow and ice accumulated;
- Whether or not the precipitation will continue throughout the day;
- Temperature and wind chills at or below -15F;
- Weather predictions (including those from a weather alert service);
- Storm timing;
- Building conditions (such as whether they have electricity and heat);
- Parking lot conditions.

TWO-HOUR DELAY - NEW FOR 2018-19

The use of a two-hour delayed school opening may be utilized when the additional two (2) hours would allow for inclement weather to rise to an acceptable level. With the option of the two-hour delay, we will more likely be able to have school and avoid using as many calamity days.

A major part of a two-hour delay school opening involves the transportation of students to schools. Under a two-hour delay schedule, all schools will begin the day two (2) hours later than the regular starting time. The school day will end at the usual time. Students receiving school bus transportation should go to their normal bus stop location two (2) hours later than their regular pick-up time.

As with school closings, the two-hour delay to the start of the school day will be announced through the local media and our telephone message system to parents. If for any reason the two-hour delay is not sufficient to ensure safe travel, the District will close for the entire day. If this is the case, a second call will be made via our telephone messaging service.

WHO MAKES THE DECISION?

As Superintendent of Schools, I am ultimately responsible for the final decision based on the above factors and recommendations from the Assistant Superintendent in charge of buildings and grounds.

WHEN IS THE DECISION MADE?

We strive to make the decision to close by 5:30 a.m. or earlier so we can notify our parents via our automated calling system and then the radio and TV stations. Keep in mind that unusual weather conditions may force us to make the decision after this time. In any case, we will notify parents via the automated calling system as the first alert.

WILL WE CLOSE SCHOOL IF CONDITIONS WORSEN?

Even if the weather conditions worsen, we cannot reverse our decision in the morning without endangering students. Once we make the decision to open the schools, many parents rely on it and leave for work. If we then send students right back home, many will return to unsupervised bus stops and empty houses. If conditions get worse during the school day, we may need to have an early dismissal and will give as much notice as possible to parents. Although we do our absolute best in this process, I know that often no perfect decision exists. If you do not feel that it is safe for your child to get to school, use your best judgment whether or not he or she should attend. If you choose to keep your child at home, his/her absence will be counted as an excused absence. Also, please discourage teenagers from driving in bad conditions and offer them alternatives as weather conditions worsen.

HOW IS THE PUBLIC NOTIFIED?

As soon as we make the decision to close schools, we will send an automated message via the designated telephone numbers that parents have given us. It is important for families to have correct contact information in their students' Infinite Campus accounts. This will allow the District's automated messaging system to quickly reach you, via phone, email, and text, with school closing information. This will be the quickest and easiest way to learn about school closings. In addition, the Berea City Schools will post the closing on the website www.berea.k12.oh.us.

For those who use social media, you can follow the district on Twitter @BereaCSD or Facebook/BereaCSD, as we will also post it there. Tune to TV channels ABC, CBS, NBC, WUAB, and/or FOX for up-to-date information on school closings. Do not call the school or bus garage unless it is an emergency.

Thank you,
Mike Sheppard
Superintendent

In order to best assure safe and effective student drop-off and pick-up, we ask that you comply with each of these expectations:

DEPARTMENT HIGHLIGHTS: ENGLISH DEPARTMENT

The English Department welcomes Carlitha Robinson to our crew. Carlitha is teaching English 1 Honors, English 1, and English 2 this year. We are excited to have her aboard! It is also exciting to welcome Jessica Zavrello and Tamara Washio back from the former MHJH. We are looking forward to many years together as a department. The Shakespeare Competition will be returning this year under the direction of Rebecca Papakonstantinou and will take place in January. Students are already busy practicing for the event after school. Speech and Debate is in full-swing under the direction of Ryan Peoples and Kathleen Bartlett. Students are using their knowledge of language and rhetoric learned in ELA classes to shine in the realm of forensics. A special thank you to Rebecca Papakonstantinou for arranging our experience with Great Lakes Theater again this year. This residency program allows our students a unique opportunity to see works of literature brought to life on stage. Great Lakes Theater will also hold their summer theater camps at BMHS in the summer of 2019.

PTSA

Please consider joining PTSA to help a little or a lot. Every membership counts and helps us achieve our goals for the year. You can join online too! <https://my.cheddarup.com/c/berea-midpark-high-school-ptsa>

FROM THE CLINIC: HANDWASHING

Did you know hand washing is the single best way to help prevent the spread of germs? Not only does hand washing remove visible dirt from your hands, but it also reduces the number of harmful microorganisms (germs). You should wash your hands when:

- visually dirty
- after bathroom use
- before eating
- after playing outside
- after blowing your nose
- after coughing

Hand washing doesn't mean just passing your hands under the faucet. Follow the following directions to wash your hands properly and decrease your chances for getting sick!

- Wet your hands with water
- Add soap
- Scrub your hands for 20 seconds or sing "Happy Birthday" twice
- Rinse your hands thoroughly
- Dry your hands with a paper towel
- Use the paper towel to shut off the faucet

When soap and water is not available you can use an alcohol based hand cleaner to help. But, always remember soap and water is your best way to wash away the germs!

ATHLETIC DEPARTMENT HOSTS

"VARSITY COATS FOR NEEDY FOLKS"

The BMHS Athletic Department is hosting a "Varsity Coats for Needy Folks" campaign during the Varsity Boys Basketball game on December 14th, during halftime. The goal is to collect as many adult sized coats as possible and throw them onto the court during halftime. All coats will be bagged by the Wrestling Team after halftime and taken to the homeless adults within Cuyahoga County. A coat can provide enough warmth to help save a homeless person's life during the long, cold winter days ahead. Coats can be brought to the BMHS Main or Athletic Offices anytime between now and December 14th. Coats may also be brought to the game on the night of December 14th. If you have any questions, please contact Adam Howard, BMHS Athletic Director, at 216-898-8900.

BMHS HOLIDAY MUSIC CONCERTS
