### FROM THE PRINCIPAL

**Happy Holidays and a prosperous New Year to all of our Titans families!** Celebrating these winter season holidays, we extend our best wishes for an enjoyable, safe, and joyous break to each of our students, parents, staff, and community members.

#### Student & Staff PBIS Recognitions:

- **From a complimentary BMHS Staff Member:** "He (Math Teacher Mr. David McElroy) has been very responsive and cooperative with any student concerns I've communicated with him about. The proactive communication with parents is wonderful. And, most importantly, the kids like him. I have asked some of my most challenging students how they are doing in math, and they like how he teaches and say they are understanding it more than before. I'm guessing it's incredibly difficult to walk into a classroom in the middle of a semester - especially with 9th graders, and 10th grade repeaters! Just wanted to make sure the word got out that from what many of us can see, he is doing an excellent job!"

## FROM THE PRINCIPAL, CONTINUED

- **From a gracious former BMHS Parent:** “If you’re ever having a tough day in the classroom I hope you’ll think of Reid. You (Mrs. Darlene Lyon) helped ignite a passion in him for German that is so fun to witness. I believe that after his year studying in Austria next year he will have earned his German language degree.”
- **From an impressed BMHS Education-Partner:** “It was so nice learning more about Berea-Midpark and the recent initiatives you’ve launched. I’ve said it before, but it deserves repeating – you’ve established a remarkable culture at the school that just fuels student engagement and success. You must sleep well at night!” (Brian Pflaum, Cleveland Clinic Director of Civic Education)
- **From a grateful BMHS Colleague:** “PRIDE would like to thank the staff for their support of Mix-it-Up Day, especially those that welcomed and included the students in the class discussions and activities. Thank you again for your support. 😊”

## TRAVEL THE WORLD

The Berea City School District offers trips, which are not connected to specific classes, for BMHS high school students. Middle School students may sign up early for a savings benefit.

Check out the available trips at : <https://sites.google.com/bereaschools.org/bcsd-travel-opportunities/home>

Once you have signed up, the cost of the trip is locked in. The cost increases \$50-\$100 every six months so the sooner your student signs up, the cheaper the cost.

If you sign up two years in advance, you get a \$200 discount from most of the companies (see website). This makes monthly payments much more attainable. There are also a variety of fundraising options available.

If you need to cancel, each company has a refund schedule along with added insurance options.

**2019: China**, Chaperone is Mrs. Hsu, and **Biomedical Europe**, Chaperone is Mr. Pittman, are still taking travelers. Deadline is February however, no discounts at this point.

**2020: Peru**, Chaperone is Mrs. Pinter, **Paris/London/Rome**, Chaperone is Mr. Soos, and **Sustainable Living/Germany**, Chaperone is Mr. McElyea, are open for enrollment. Discount of \$200 if enrolled by December 31, 2018.

## FROM THE SUPERINTENDANT, MIKE SHEPPARD

Winter weather has arrived early this year. New for the 2018-19 school year is the addition of a **2-hour delay**. Information regarding this new procedure was included in the [2018-19 District Information Guide](#). This information guide was available at the start of the school year during our open houses and orientations. 2-hour delay information is also included below.

Our district administration, faculty, and staff understand that our decision to delay, open, or close schools during inclement weather has a big effect on families. We also understand that our students are better served – both academically and socially – by being in school. However, our top priority is the safety of our students.

### HOW DO WE MAKE OUR DECISION?

Please understand that we make the decision to delay, keep open, or close the schools in bad weather based on a careful analysis of all relevant factors, such as:

Information on road conditions from transportation staff and from local law enforcement and road crews. We must give careful consideration to the most dangerous roads in the district; they can be treacherous even if your street looks clear;

- Amount of snow and ice accumulated;
- Whether or not the precipitation will continue throughout the day;
- Temperature and wind chills at or below -15F;
- Weather predictions (including those from a weather alert service);
- Storm timing;
- Building conditions (such as whether they have electricity and heat);
- Parking lot conditions.

### TWO-HOUR DELAY - NEW FOR 2018-19

The use of a two-hour delayed school opening may be utilized when the additional two (2) hours would allow for inclement weather to rise to an acceptable level. With the option of the two-hour delay, we will more likely be able to have school and avoid using as many calamity days.

A major part of a two-hour delay school opening involves the transportation of students to schools. Under a two-hour delay schedule, all schools will begin the day two (2) hours later than the regular starting time. The school day will end at the usual time. Students receiving school bus transportation should go to their normal bus stop location two (2) hours later than their regular pick-up time.

As with school closings, the two-hour delay to the start of the school day will be announced through the local media and our telephone message system to parents. If for any reason the two-hour delay is not sufficient to ensure safe travel, the District will close for the entire day. If this is the case, a second call will be made via our telephone messaging service.

### WHO MAKES THE DECISION?

As Superintendent of Schools, I am ultimately responsible for the final decision based on the above factors and recommendations from the Assistant Superintendent in charge of buildings and grounds.

### WHEN IS THE DECISION MADE?

We strive to make the decision to close by 5:30 a.m. or earlier so we can notify our parents via our automated calling system and then the radio and TV stations. Keep in mind that unusual weather conditions may force us to make the decision after this time. In any case, we will notify parents via the automated calling system as the first alert.

### WILL WE CLOSE SCHOOL IF CONDITIONS WORSEN?

Even if the weather conditions worsen, we cannot reverse our decision in the morning without endangering students. Once we make the decision to open the schools, many parents rely on it and leave for work. If we then send students right back home, many will return to unsupervised bus stops and empty houses. If conditions get worse during the school day, we may need to have an early dismissal and will give as much notice as possible to parents. Although we do our absolute best in this process, I know that often no perfect decision exists. If you do not feel that it is safe for your child to get to school, use your best judgment whether or not he or she should attend. If you choose to keep your child at home, his/her absence will be counted as an excused absence. Also, please discourage teenagers from driving in bad conditions and offer them alternatives as weather conditions worsen.

### HOW IS THE PUBLIC NOTIFIED?

As soon as we make the decision to close schools, we will send an automated message via the designated telephone numbers that parents have given us. It is important for families to have correct contact information in their students' Infinite Campus accounts. This will allow the District's automated messaging system to quickly reach you, via phone, email, and text, with school closing information. This will be the quickest and easiest way to learn about school closings. In addition, the Berea City Schools will post the closing on the website [www.berea.k12.oh.us](http://www.berea.k12.oh.us).

For those who use social media, you can follow the district on Twitter @BereaCSD or Facebook/BereaCSD, as we will also post it there. Tune to TV channels ABC, CBS, NBC, WUAB, and/or FOX for up-to-date information on school closings. Do not call the school or bus garage unless it is an emergency.

Thank you,  
Mike Sheppard  
Superintendent

## Two-Hour Delay Procedures Berea City School District

In accordance with the Berea City School District's Procedures for Emergency School closing, the use of a two-hour delayed school opening may be utilized when the additional two hours would allow for wind chill temperatures to rise to an acceptable level. ## STUDENT PARKING REGULATIONS

With our increased enrollment and the challenges posed by our construction, we are grateful for the patience and cooperation that our students, parents, and staff have demonstrated during the busy times of arrival and dismissal. ## PRIDE HIGHLIGHTS:

BMHS **PRIDE** (Perseverance, Respect, Integrity, Diversity, and Excellence) promotes leadership, diversity, and school spirit throughout the 2018-19 school year. This year’s PRIDE executives include: seniors - Ryan Bolin, Cady Herron, Maddie Schneider, Mike Sebek, and Joseph Wozniak; juniors - Summer Husein, Abby Lubowicki, Kelly Mccarthy, Serena Ramsammy, DJ Stewart, Hannah Tucker, and Tressa Valukievic.

PRIDE kicked off the school year by working collaboratively with JSA and Avid on a **“Hurricane Homeroom Challenge.”** We collected needed items for the Carolinas devastated by the hurricanes. Also, On October 11th Pride and AFS presented **“Immigration This Is My Story,”** a student and teacher panel featuring author and keynote speaker Gerhard Maroscher. Gerhard shared the story of his Romanian family’s miraculous survival of World War II, becoming refugees, fleeing Communism, starving after the war, and coming to the USA to live the American Dream.

During the month of November, PRIDE hosted the third annual **“Into The Light,”** suicide awareness program, which senior PRIDE executives Mike Sebek and Maddie Schneider started. Mike, in losing his cousin to suicide, became a passionate crusader in promoting awareness and support within the BMHS school community. The event featured keynote speaker Jane Lewins from AFSP.

On November 20th, PRIDE and Avid partnered for the **“National Mix It Up Day.”** Upperclassmen were paired with underclassmen for a day to experience the different academics classes and social groups. The day ended with a presentation on “Diversity” by Terry Malone.

To conclude the semester, PRIDE hosted **“Celebration Of Culture and Faith”** on December 12th. BMHS students, AFS, and graduates presented on Christianity, Guyana/Hindu, Judaism, Palestine/Islam, Italy/Catholicism, Norway, and Lebanon.

I know you’re thinking: WHAT’S NEXT? During second semester, PRIDE will be working with LINK to present **“Challenge Day”** (Cross the Line) to the freshmen and sophomores in January/February. This has always been one of the most meaningful events during which students learn to break down the barriers that divide, using what they learn to work on uniting as Titans.

During Black History month, PRIDE, RYP, and the Varsity Girls’ and Boys’ basketball teams will be hosting **“Cafe Harambee”** on February 27th, at 2:30 PM in the BMHS Library. The theme this year is “Come to the Table and Share Your Story of Perseverance.”

During the month of March, PRIDE will be presenting at the Diversity Center’s High School Conference at John Carroll University and participating in the Diversity in the Arts program.

Lastly, PRIDE, along with the various class advisors, students, and staff will be presenting the most spirited event of the year **“Clash of the Titans.”** The class hallway competition begins on May 23rd and the field events at Finnie will be on May 24th. PRIDE will conclude the year with a Senior Salute to the Senior Executives on May 29th.

Thank you for your support of PRIDE throughout the year!

## FROM THE CLINIC: TOY RELATED INJURIES

Each year more than a quarter of a million children are treated at hospitals for toy-related injuries. Most of these injuries affect children under the age of fifteen and more than 125,00 are preventable. During "Safe Toys and Gifts Month", Friends for Sight encourages parents to be aware of their children's toys and the potential dangers of toys given to their children.

Below are some tips provided by American Academy of Ophthalmology and Prevent Blindness America when making a purchase and giving a gift :

- Read all labels and warnings on the toy box.
- Avoid purchasing toys with rigid or sharp points, rods, spikes, or dangerous edges.
- Purchase toys that meet the safety standards of American Society for Testing and Materials (ASTM).
- Only buy toys that are meant for the child's age, maturity and ability.
- Throw away all packaging material as it can be a choking hazard.
- Inspect toys before giving to children.
- Show children how to use the toy safely.
- Supervise children while playing.
- Fix or throw away broken toys.
