END-OF-COURSE STATE TESTING: APRIL 2019

Please be aware that the upcoming months of April and May will include five (5) days of mandated Ohio Department of Education End-of-Course Testing. On each day, only the students testing in their graduation mandatory courses (English Language Arts 1, English Language Arts 2, US History, US Government, Algebra 1, Geometry & Biology) will attend school at the designated testing times. See the attached document for each day of testing, the tests being administered and the time schedules for each. Regular daily bus transportation times will be maintained in the mornings and afternoons like any other school day.

All students enrolled in any of our English Language Arts 1 & 2, Geometry, Algebra 1, Biology, US Government, and US History courses (regular, honors, CCP, AP, Ombudsman, online, etc...) are expected to arrive promptly for the graduation qualifying mandatory testing. Please note that on each of the indicated testing days, there are designated starting times for each of the separate tests. On each of the days of testing, students are expected to arrive in time for each of their scheduled test starting times.

Students and Parents please note:

- The format of testing will be online (not paper/pencil).
- Bring your own ear buds to listen to the test audio.

FROM THE PRINCIPAL, CONTINUED

- Cell phones must be collected and turned-off. (maintenance of test security and preservation of Wi-Fi bandwidth capacity)

BMHS STATE END-OF-COURSE TESTS 2019 CALENDAR: [Testing Calendar 2018-19](#)

As a state of Ohio graduation mandate, in addition to the required academic course work and necessary accumulation of credits, students must earn a total of 18 points attained through seven State **mandatory** End of Course Tests: Algebra 1, Geometry, English Language Arts 1, English Language Arts 2, Biology, American History and American Government. Students can earn from 1-5 points on each of these Tests. To ensure students are well rounded, they must earn a minimum of 4 points in Math, 4 points in English/Language Arts, and 6 points across Science and Social Studies.

•Advanced	5 points
•Accelerated	4 points
•Proficient	3 points
•Basic	2 points
•Limited	1 point
•No Score Available	0 point

Not meeting the above criteria would result in a student not earning a graduation diploma. Refusing to participate in this Testing will only result in a score of zero (0) and no accumulation of points towards the minimum 18 needed for graduation. This will not be permitted without signed consent of the Parent/Guardian and Principal.

Please see the Ohio Department of Education website <http://education.ohio.gov/Topics/Ohio-Graduation-Requirements/Graduation-Requirements-2018-and-Beyond> for further details regarding these newly mandated State of Ohio Graduation Requirements, practice Tests, and other pertinent resources.

Student & Staff PBIS Recognitions:

- **From a gracious Parent:** “Your leadership guides our kids in to the right direction and I’m very thankful for that. I would like to thank you as a parent and as a person who understand that there is not enough appreciation given to the people in our education system. Please pass this positive thinking to all your staff and say thank you to all of them for all their hard work. Thank you again for your wise and strong leadership.” (John S., Parent)
- **From a proud & appreciative BMHS Staff Member:** “Hi Mr. Stevens, I cannot thank you enough for your math help. Each time I've asked for your help with a student -- whether yours or not -- you did not hesitate and stepped right in. Miriam stopped by to tell me how you helped her today, but what spoke loudest to me was her smile. We all say that we want our students to be successful, but when that translates into meaningful action and positive results that's a WONDERFUL blessing for which I am extremely grateful! Thank you again for your active heart for students, Mr. Stevens. It and you are appreciated more than I can say!”
- **From a couple of complimentary BMHS Staff Members:**
 - “I wanted to e mail you and let you know what a tremendous help Terri Martin is to not only your school but also the entire Spanish dept. She is always willing to help with any problem. We are as strong as we are BECAUSE OF HER.”
 - “I'm just taking a minute to share something about Terri Martin. She is INCREDIBLE!! Have you seen her very creative and innovate teaching techniques? If I had her as a foreign language teacher in high school I would've enjoyed AND retained a foreign language. :-) She also has one of the kindest and most thoughtful hearts for students often staying here until after 5:00 to help them. She truly inspires excellence and we are blessed to have her here at BMHS.”

- Vehicles which are entering & exiting the lot may do so only through the designated areas and following the indicated traffic flow.

If you should have any questions or concerns, you are welcomed to contact our Main Office 216-898-8900.

Thank you for your continued cooperation!

FROM THE CLINIC: SELF-INJURY AWARENESS

Self – injury is a deliberate, non-suicidal behavior of harming the surface of your body to relieve emotional distress, anger and frustration. Self-harm is not a mental illness but a behavior that indicates a lack of coping skills. Several illnesses are associated with it including borderline personality disorder, depression, eating disorders, anxiety or post-traumatic distress disorder. Self-harm occurs most often during the teenage and young adult years though it can also happen later in life. Those at the most risk are people who have experienced trauma, neglect or abuse. People who have friends who self-injure are more likely to begin to self-harm. While self-injury may bring a momentary sense of calm and a release of tension, it's usually followed by guilt, shame and the return of painful emotions.

Signs/symptoms of which to be aware:

- Scars
- Fresh cuts, scratches, bruises or other wounds.
- Excessive rubbing of an area to create a burn
- Keeping sharp objects on hand
- Wearing long sleeves/long pants even in hot weather
- Difficulties in interpersonal relationships
- Statements of helplessness, hopelessness or worthlessness

Forms of self-injury:

- Cutting (cuts/severe scratches with a sharp object)
- Scratching
- Burning (with lit matches, cigarettes, or hot sharp objects)
- Carving words/symbols on skin
- Hitting/punching
- Piercing skin with sharp objects
- Pulling out hair
- Persistently picking at or interfering with wound healing.

Self-injury usually occurs in private and is done in a controlled or ritualistic manner that often leaves a pattern on skin. Most frequently, the arms, legs and front torso are the targets of self-injury, but any area of body may be used. People who self-injure may use more than one method to harm themselves.

Two-Hour Delay Procedures Berea City School District

In accordance with the Berea City School District's Procedures for Emergency School closing, the use of a two-hour delayed school opening may be utilized when the additional two hours would allow for wind chill temperatures to rise to an acceptable level. With the option of the two-hour delay, we will more likely be able to have school and avoid using as many calamity days.

A major part of a two-hour delay school opening involves the transportation of students to schools. Under a two-hour delay schedule, all schools will begin the day two hours later than the regular starting time. The school day will end at the usual time. Students receiving school bus transportation should go to their normal bus stop location two hours later than their regular pick-up time. When the Superintendent calls a two-hour delay, the following *adjustments* will be made:

School	Two-Hour Delay Schedule	Start Time	End Time
Extended Care		Canceled	Same

Student Detentions	Morning Canceled and Rescheduled; Afternoon Scheduled as Usual
Child Care Centers	Morning Transportation Two-Hour Delayed; Afternoon Schedule as Usual

As with school closings, the two-hour delay to the start of the school day will be announced through the local media and our telephone message system to parents. If for any reason the two-hour delay is not sufficient to ensure safe travel, the District will close for the entire day. If this is the case, a second call will be made via our telephone messaging service.
