

# The Thunderbolt Yearbook

## Senior Picture Days are: Wednesday, November 11<sup>th</sup> and Thursday, November 12<sup>th</sup>

Senior students who have not yet had their photograph taken at the Cavanaugh Photography studio should plan to have their photograph taken on the day they are in-building for hybrid learning. Students will be called down alphabetically by last name between classes. *If you are a Polaris student, be sure to be photographed before leaving campus for the day.*

Portraits will be made available for purchase.

There is NO COST to have your yearbook headshot taken during this event.
