The following is a poem by Walt Whitman titled:
A Nation’s Strength

Not gold, but only man can make  
A people great and strong;  
Men who, for truth and honor's sake,  
Stand fast and suffer long.

Brave men who work while others sleep,  
Who dare while others fly --  
They build a nation's pillars deep  
And lift them to the sky.

Today is Veteran's Day, a day in which we remember and show gratitude for the men and women who have given of themselves and even their lives to keep our country great.
