

The Parent Portal for Infinite Campus is your tool to view your student's fees, grades, messages and much more.

- visit our website at www.berea.k12.oh.us
- Select **POPULAR** and *Infinite Campus – Campus Portal* from the drop down choices.

The **Popular** link can be accessed from any school page of the website.

Once you have signed in you will see your student's information. You will need to use your student's name and ID number **exactly as they appear** in Infinite Campus to create an account in PayForIt for only payments.

The screenshot shows the Infinite Campus Parent Portal interface. At the top, there is a header with the text "Your Student's Name" and "Your student's school". Below this, a box contains the text "Student's Picture appears here". To the right, the student's information is displayed: "15-16 BMHS", "Student Number: 00000", and "Grade: 10". Blue arrows point from the annotations to the corresponding fields: "Your student's school" points to "15-16 BMHS", and "Your Student's 5 digit ID number appears here." points to "00000".
