ONLINE REGISTRATION FOR NEW STUDENTS ENROLLING IN BERA CITY SCHOOL DISTRICT

Online Registration is now being used for all new families/students to the Berea City School District. Parents/Guardians will enter all information regarding their household, contact and student data through this Online process which eliminates filling out numerous forms for each student.

This document serves as a quick guide to on-line registration. If you need more detailed instructions, click the link in the Registration area called Step-by-Step Instructions.

THINGS TO KNOW:

- The online registration icon is accessed through the Berea City School District website home page by clicking the Students & Parents section Registration link.
- Once you click on the Online Registration Link you will be asked to enter your name and email address which creates a welcome email. This email explains all of the documents that you will need to scan and save to your computer for upload prior to finalization of your application.
- If you do not have access to a scanner you can complete all other portions of the registration and make an appointment with the Registrar to use the Kiosk to upload your documents at the Board of Education office. Please note that you also have the choice of completing the process via paper form at the Board of Education office.
- To upload documents at home, you will need the ability to scan the documents or take a photo of the documents to save to your computer's desktop. There are several free scanner APPS available from the APP Store or online. If you download the free scan APP, it will allow you to take a photo from your phone and convert it to a pdf file which you can save to your desktop for upload.
- The registration process takes approximately 30 minutes to complete.
- Applications can be saved and reopened at a later time. In order to get back into your incomplete/un-submitted application, you will need to click on the link that was sent to you in the Welcome email. Therefore, please do not delete the original email sent to you.
- Required fields display with a red asterisk *.
- Use the Previous and Next buttons available on each panel to move through the panels. If you save prior to completing a section of the panel, a warning message will display and data will be highlighted in Yellow in the review screen. Once you complete and save you will see a green check indicating completion.
- Please be careful of spelling, capitalization and punctuation. Dates should be entered as MM/DD/YYYY and phone numbers as xxx-xxx-xxxx.
