

To the Parents of our Berea-Midpark HS Sophomores and Juniors,

Please note that your daughters and sons should have received hard copy summary printouts of their individualized State of Ohio Department of Education End-of-Course Test results and accumulated Graduation Points. It is imperative that you review this information with your students, as it is a mandated Ohio Department of Education requirement for them to earn the necessary number of total graduation points needed to qualify for high school graduation eligibility. Your daughters' and sons' earned Graduation Points are also accessible for viewing via the online Infinite Campus Parent Portal.

Please see this included information for more details regarding Graduation Points.

Your students may have also received a second printout of any End-of-Course retake tests for which they may be scheduled in **January 2017**. Online resources for these tests may be found on the Ohio Department of Education website.

<http://education.ohio.gov/Topics/Ohio-Graduation-Requirements/High-School-State-Tested-Courses-Resources>

Additional Graduation Requirements information, for the Class of 2018 and beyond, is available on the State of Ohio Department of Education website.

[Education http://education.ohio.gov/Topics/Ohio-Graduation-Requirements/Graduation-Requirements-2018-and-Beyond](http://education.ohio.gov/Topics/Ohio-Graduation-Requirements/Graduation-Requirements-2018-and-Beyond)

If your students did not receive their Graduation Points summary printouts, please have them report to the Guidance Office. You are also welcomed to contact our Main Office **216-898-8900** with any questions or concerns that you may have.
